

# Consultation on New Public Spaces Protection Order

Have your say on our plans to introduce a new Public Spaces Protection Order (PSPO) in April 2016 to replace existing Dog Control Orders and Designated Public Place Orders (alcohol restriction zones).

You can find out more information about the proposed PSPO on our website at [www.eastherts.gov.uk/pspoconsultation](http://www.eastherts.gov.uk/pspoconsultation)

We are consulting on the new PSPO until 24 January 2016 and you can let us have your thoughts by completing the online survey questionnaire on the website.

If you want a paper copy of the questionnaire please ask a member of staff for one.
