

Allotment report - Lettings and Vacancies 9.7.2020

Waiting List for Warehouse Field (Widbury Hill) - 33

Waiting List for Crosspath Field (King George Road) - 13

No vacancies on either site at the moment

At the time of the lockdown in March 2020, the waiting list for Warehouse Field was 6 and it was 3 for Crosspath Field. Our waiting list has got longer over the last 15 weeks and our current plot holders are keen to continue enjoying both the physical and mental benefits of allotment gardening and do not wish to give up their plots.

There are some plot holders who are self-isolating on both sites and they are being assisted by either other plot holders or allotment committee members in some cases.
