

Ware Town Council Events 2021

Cinema 2021

There are no immediate plans to reinstate the monthly Cinema afternoons. These will only recommence when safe to do so. We are still in touch with our regular attendees who look forward to monthly cinema restarting.

Guided Tours 2021

The annual meeting of tour guides usually takes place in February. There are no immediate plans for putting together a programme of guided walks at present.

Food Festival

This is pencilled in for 23rd May. It is unclear at present whether or not we will be able to go ahead.

Summer Concerts

I have begun to put together a programme of summer concerts which, all being well, will take place outside. The following dates have been pencilled in:

Sunday 6 th June	Barry Sapsford's Swing Orchestra
Sunday 4 th July	Ware Brass
Sunday 8 th August	Lip Service Brass Band
Sunday 12 th September	Ware Brass

Celebration in Art Competition

This was very well received by the local community and we had submissions from students right through to U3A members and members of the Monday Art Club at Age Concern. Entrants said that they had really enjoyed taking part and that when we got in touch after the closing date to say where they had been placed it had 'made my week' and 'given me a lift when I really needed it'. So, a very positive exercise.

Photographic Competition

With the above in mind, perhaps we should consider running a photographic competition, perhaps in March when the weather should improve.
