Vacant Plots & Tenanting Report

Warehouse Field (Widbury Hill)	0	43	0	4 (1 plot split)	39 Residents 7 Non-Residents
	5	55	3	9	59

During October we sampled interest in the smaller plots at Crosspath (2.5 poles), and uptake was good from persons who work or have families and cannot commit the time to larger plots.

Some of the vacant plots needed to be cleared prior to tenanting. This clearing work has now been completed. The nine currently available plots will be tenanted as soon as new holders are available to view the plots with WAGS committee members. Tenanting is now in progress.
