Philosophy & aims of the group:

Scouts exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

Scouts takes place when young people, in partnership with adult volunteers, work together based on the values of Scouts to:

- enjoy what they are doing and have fun;
- take part in activities indoors and outdoors;
- learn by doing;
- share in spiritual reflection;
- take responsibility and make choices;
- undertake new and challenging activities;
- make and live by their Promise.

Probably many of us would instinctively know when we saw good Scouts in action. It's an interesting exercise to think about exactly what we would see that would define Scouts in action

At Great Amwell we are currently building an undercover side extension to be able to support all the above values all year round with outside activities. The wider community such as Girl Guiding and other organisations that use our facilities will benefit.

The full cost is £32,800 plus VAT. I am looking to for £1,500 if possible to allow us to buy the cushioned outdoor flooring which will be more suitable for young people to play on.

Great Amwell Scouts support Ware Week and provide food at a discounted to price to stall holders, we provide marshalls to the Ware Fireworks display and assist in the running of the Raft Race during ware week.

I am keen next year for the group to get further involved so I am contacting the PCSOs to see if we can assist at community days and if there is anything specific the council would like assistance with please let me know.

I have sent the plans and quote in for the building works that we are undertaking.
