## 1. Background

Guidance has been made available for a procedure to follow with the death of the Sovereign, other senior member of the Royal Family, senior national figure or local holders of high office. It has been drawn up with the co-operation of the Royal Household and the Government.

This procedure should be implemented by the Town Clerk or in his absence, the Finance and Administration Manager.

Plans to mark the death of the Sovereign or senior member of the Royal Family must only be implemented after a formal announcement has been made by the Royal Household.

It might also be appropriate to use elements of the procedure when responding to an incident which has led to a large number of deaths, for example, a train crash or terrorist attack. This would apply if a National Day of Mourning was announced by 10 Downing Street.

It is suggested that consideration be given to the offering of the Town Flag to drape over a coffin to the family of a previous Town Mayor or holder of the Freedom of Ware.

This protocol sets out the action to be taken in the event of the death of:

- HM The King
  - Queen Camilla
  - HRH The Prince of Wales
  - HRH The Princess of Wales
  - HRH The Duke of Edinburgh
  - HRH The Duchess of Edinburgh
  - HRH Prince George of Cambridge
  - HRH The Princess Royal
  - Other members of the Royal Family as advised by the Royal Household and the Government
- 
- The Prime Minister
  - The serving Member of Parliament for the Hertford and Stortford
  - A serving Town Mayor
  - A serving member of the Council
  - A Former Town Mayor of the Council

### Civic Engagements

From the day of death until the day after the funeral, careful thought should be given to the type of events and activities the Town Mayor should host or attend. Lunches, dinners and receptions may not fit in with the mood of the nation and as a mark of respect may need to be cancelled or postponed.

Where school visits are scheduled it might be helpful to for the Town Mayor to spend time with the children to talk about the events that are unfolding. This should not be pressed upon a Town Mayor who is not comfortable with taking on such a role.

## **Appendix A**

Full details for on the correct way to fly flags at half mast is given on the website of the Flag Institute ([www.flaginstitute.org](http://www.flaginstitute.org)).

It is important that the guidance given by the Flag Institute is adhered to strictly.

Half mast means the flag is flown two-thirds of the way up the flagpole with at least the height of the flag between the top of the flag and the top of the flagpole. Flags cannot be flown at half-mast on poles that are more than 45° from the vertical but a mourning cravat can be used instead.

When a flag is to be flown at half mast, it should first be raised all the way to the top of the mast, allowed to remain there for a second and then be lowered to the half mast position. When it is being lowered from the half mast, it should again be raised to the top of the mast for a second before being fully lowered.

## **Appendix B**

The statement should begin with a suitable expression of sadness of the Town Council on hearing the announcement.

It might go on to state that flags will be flown at half mast.

If is an occasion when Books of Condolence will be opened, then reference could be made to that.

When a decision has been taken on the Council's programme of events and engagements, it might be stated that events are being cancelled as a mark of respect or that they will begin with a period of silence.

If in doubt, do not rush out a statement with commits the Town Council to action before that action has been discussed and has the necessary agreement from the political leadership.
